The driver inspects the vehicle before, during, after each rental. We just ask that you treat the bus as if it were your own. In the event of damage, the customer will be responsible for any repairs or cleaning (beyond normal wear & tear). The following will result in automatic loss of your \$400 deposit:

- **Cracked or broken windows/doors**
- **Smoking burns**
- **Damage to stereo equipment**
- **Any bio-hazardous fluid left behind**
- **Damage to any emergency exits**

Should damage exceed the \$400 security deposit, the customer will be held responsible for the balance.

Punctuality

We 100% value everyone's time & we take pride in our service & product. On very rare occasions, circumstances may present that are beyond our control. Please allow a 15-30 grace period to our driver's arrival as safety will always be our number 1 priority.

Mechanical Failure: We take great pride at Busin to ensure our equipment operates & functions well. We have a Live in/on call mechanic as well as a team of experienced mechanics we work with. Our Buses forgo 45 day safety/mechanical inspections. It is always our intention to never have to cancel a booking, but in the extremely rare incident that we are forced to pull a bus off the line, we will always do our best to provide an alternative option & make sure our customers are taken care of. We are proud of our track record & will continue to strive for excellence.

Service area- We do service beyond the bay area. Charters outside the city of San Francisco will include a fuel surcharge depending on the mileage.
